Attendance-- It is critical students are at school each day and complete the work to earn the credit. A student can only miss 1 day of class. If they miss more than 1 day, they no longer have the opportunity to earn the credit for the class. If a student is tardy for more than 30 minutes, that counts as an absence for the day. Students will receive a "W", withdrawal on their transcript.

Cost-- FREE!

Credit- Students can earn .25 credit while appropriately completing daily work during each day of the session. If a student prefers to earn .5 credit, they will need to complete independent work/projects that will be presented by the teacher within the first two days of class. The student must inform their teacher of their intent to earn .5 credit by Day 3 of the course. All students will transcript a grade for any course, including online courses, that they begin. Grades given will be A, B, C, D, and U.
