

September 2, 2020

Oregon Trail Families,

As we prepare to start this new school year, we appreciate your support and partnership.

Teachers will be reaching out to families, starting tomorrow and through next week, to discuss the district's online learning resources and answer questions about the upcoming school year. *Please be aware that your caller ID might not show the school's phone number; it could show 'West Linn.'*

Visit our Distance Learning webpage at [oregontrailschools.com/distancelearning](https://oregontrailschools.com/distancelearning) to review our updated FAQ, including information about student attendance expectations. Our student meal plan is also posted.

*Reminder:* If you have not completed the online enrollment/verification form for your child, please do so at [oregontrailschools.com/enrollment](https://oregontrailschools.com/enrollment).
